

BAKER CLAUSE POLICY STATEMENT

Ark Blake Academy uses the Gatsby Benchmarks as a guide to plan our Pathways and Enrichment programme. As part of our commitment to informing our students of the full range of learning and training pathways on offer to them, we are happy to consider requests from training, apprenticeship and vocational education providers to speak to students.

Ark Blake Academy also seek to build relationships with these partners as we plan and implement our Options Pathways and Careers Education, Information, Advice and Guidance throughout the school year. We wish to ensure that providers have multiple opportunities to speak to students and their parents across year groups, to offer information on vocational, technical and apprenticeship qualifications and pathways. Ark Blake Academy ensures that Academy staff involved in personnel guidance and pastoral support are up to date on their knowledge of Key Stage 4 Options and post 16 and post 18 pathways, through a programme of Continuing Professional Development.

Opportunities for providers to speak with students may include school assemblies, employer and provider engagement events or opportunities in the future to speak with students and parents on a one-to-one basis supporting GCSE, post 16 or post 18 option choices. Ark Blake Academy's Options Pathways and Careers Education, Information, Advice and Guidance programme is monitored for quality and impact by the Academy's Senior Leadership and Governance Teams and monitoring of access to and opportunities to engage with, technical, vocational, and training providers will form part of this process.

In the first instance, requests by providers should be sent to the Academy's Curriculum Pathways and Enrichment Lead, Daniel Opoku at info@arkblake.org with a minimum of 6 weeks' lead time. All requests will be considered on the basis of; staffing availability to support the activity, clashes with other planned activity, trips or visits to the Academy, interruption to preparation for examinations or rooming and space availability to host the activity.

For questions on this or Ark Blake Academy's wider Pathways and Enrichment programme, please contact the Academy's Curriculum Pathways and Enrichment Lead, Mr Opoku.
